Furnished Housing and Storage of Effects of Employees Stationed in  
[REDACTED]

1. Your drafts of a memorandum to the DD/A and a suggested CIA Notice on the above subject are returned herewith. You will see that we have made a few suggested changes in phraseology and in legal references. A determination of the existence of emergency conditions at these posts should be made. The addition of the following two paragraphs to the CIA Notice will accomplish this purpose.

4. The authorization for storage of effects contained in paragraph 1f above is predicated upon a determination, which is hereby made, that emergency conditions exist at Agency posts in [REDACTED]

[REDACTED] Employees there are unable to obtain adequate housing at a reasonable cost.

5. The [REDACTED] shall make an annual review of housing conditions and costs at the various posts and shall, on July 1 of each year, authorize the continuance or order the discontinuance of storage of effects at Government expense, in accordance with his findings. He may also authorize storage for additional posts, upon making the required determination as to the existence of emergency conditions.
